# FOREWORD:

To The Trade:

We take pleasure in presenting our Contract and General Trade list for crop 1941.

Our purpose is to produce the best possible for those who want: "FLOWER SEEDS OF PROVEN QUALITY."

We are very pleased with the confidence which has been placed in us and we will certainly strive to merit the continuance of this patronage. During this last season we have installed the newest and best in cleaning machinery in order to give you seeds of the highest possible purity and speedy delivery after harvest.

A very hearty invitation is extended to all seedsmen to visit our Ranches during the summer to inspect our growing crops.

To our many patrons we wish to take this opportunity of thanking them for their fine support during the past season and will do our best to have you even better pleased in 1941.

## GENERAL CONDITIONS OF DELIVERY

For every order, we agree to plant sufficient land to produce the desired quantity of seed under normal conditions.

Should the outcome of the crop be lower than our estimation, orders will be filled pro rata only.

Crop failure or any other cause beyond our control releases us entirely from delivery.

We give no warranty expressed or implied as to description, purity, productiveness, or any other matter of any seed we sell, and we will not be in any way responsible for the crop.

## TERMS

All seeds are quoted f.o.b. Lompoc, California, for delivery after harvest of crop 1941, 60 days acceptance net, less 2% cash thirty days.

**Quarter pounds and over at the pound rate.**

All overdue accounts subject to sight draft without further notice.

Bags and containers will be charged at cost and are not returnable.

While we are confident prices given in this catalog are very reasonable, we shall be pleased to have the opportunity of meeting any reasonable competition of growers of repute.

We reserve the right to change prices in this list at any time.

The newer varieties are marked throughout the catalog with a star (\*).
